

Whatever your freight needs, Cargo Movers is here to help.

Our staff work around the clock to meet the challenges of the industries in which our clients operate. If you have any queries or would like to request a quote, please do not hesitate to contact us. We are always happy to assist you.

"Your experience and knowledge of the rigs and the exportation requirement was clearly evident and shows the differentiation between Cargo Movers Pty Ltd and other freight forwarding companies."

Jason Wilson, Weatherford Drilling International

"We continue to use and trust the services provided by Ryan Faulkner and his team... We highly recommend the services of Cargo Movers to any business looking for a highly reliable and accountable freight and logistics provider."

Paul Verstedden, Scientific Drilling International (Australia)

"We greatly appreciate the level of service received and would not hesitate to recommend your services to any companies in the oil and gas industry."

Any size, Any Where, Any Time.

Cargo Movers is equipped to handle even the most difficult freight requirements with precision and ease.

CARGO MOVERS (AUST) PTY LTD
INTERNATIONAL PROJECTS & LOGISTICS

Cargo Movers has rapidly grown to become one of Australia's market leaders in the provision of resources industry freight and logistics.

Founded by Ryan Faulkner, Ryan has extensive knowledge of national and international freight forwarding, gained through several years of holding senior positions in the freight forwarding industry.

Specialising in cargo movements for the oil and gas industry, Cargo Movers has global access to the very best facilities and expertise to overcome any freight demand. Our team are always on hand to handle all types of freight requests, no matter how urgent or complex the requirement.

Built on experience and fuelled by ongoing dedication, Cargo Movers offers innovative, single source solutions to effectively manage the expedition and safe delivery of any type of consignment.

When it absolutely must get there on time, anywhere, by road, sea or air, you can safely rely on Cargo Movers to make it happen.

International Air & Sea Freight Forwarding

We are fully conversant in all areas of international freight and logistics, particularly customs brokerage and quarantine clearance and can deliver to and from any worldwide destination. We have a global network of freight agents who manage every phase of the forwarding process, from pickup to delivery.

Time Sensitive Freight

On hand 24 hours a day, 365 days a year, our shipping experts can handle all types of urgent freight. With our resources, we provide immediate solutions to ensure the fastest possible delivery time of any type of cargo, to anywhere in the world.

Over Dimensional Freight

Specialising in the shipment of oversized air and sea freight, we have considerable experience in handling long length, over height and heavy lift cargo and offer the most practical, cost effective options to overcome logistical difficulties.

Local & Interstate Services

With access to a full range of vehicles and aircraft, we can facilitate the movement of any consignment, to and from any destination in Australia. Through our alliance with major national agents, we offer very competitive pricing on local and interstate air and road freight services.

Charter Services

When all other transport options aren't viable, we are able to offer charter services for both air and sea freight. We can locate, price and mobilise chartered movements at very short notice and work to the tightest deadlines.

Project Logistics

Cargo Movers can handle complete project management for all types of freight, throughout Australia and the globe. We will organise and oversee every aspect of the project freight movement, from planning and preparation to final delivery.
